MEMORANDUM FOR: Chief, Counterterrorism, Paramilitary and
Narcotics Staff (CPNS)

FROM: Director of Central Intelligence

SUBJECT: Terrorism

This cable will give you a feel of what you are dealing with in your new assignment. We have to develop a more aggressive approach to terrorism as Ambassador Theberge spells out so well in this cable. [redacted] and I kicked around some good ideas on that on Saturday and I would like to get your thinking as soon as you have gotten yourself sufficiently immersed in the job.
